

**Project : Lizzy**  
**Date Release : 01/09/2017**  
**Public Release Notes-Version 3.1.1.23 ( Final Release )**

◆ **Accounting**

- \*Fixed 500 timeout issue with when trying to generate paychecks. Also updated tax tables for 2017. ( 98265 )

◆ **Contacts**

- Added new process to track contact imports that do not match up to existing zip code data in Lizzy. New button shows up on locate contact screen beside the approve and undo buttons to review if there were issues. The contacts are still imported and sales notes added to each record but this new report gives a way to print out and fix anything that was incorrect in Lizzy or the file uploaded. This data is removed upon approval or undo of the import. ( 97989 )

◆ **Interfaces**

- Resolved BPHH issues for accounts not on 12 month interval term. ( 96333 )

◆ **Parts**

- Resolved issues with inventory list report (report had discrepancies when running via sort by bin location vs breakout by bin location). ( 93410 )

◆ **Payroll**

- Fixed minor timesheet issue (issue was with regular hours worked; display of total hours was correct). ( 98334 )

◆ **Service**

- Fixed bug where service list still showed items back ordered in color coding that had been received in full. ( 98352 )
